2016 LEAGUE OF AMERICAN BICYCLISTS
INSURANCE PROGRAM FOR BICYCLE CLUBS AND ADVOCACY ORGANIZATIONS

WHO IS ELIGIBLE?
Any non-profit, membership-based entity who is a current member of the League of American Bicyclists and whose primary purpose is to promote bicycling for fun, fitness, or transportation is eligible. The entity does not need to be incorporated or have tax-exempt status to be eligible. Entities who are primarily engaged in mountain-biking activities are not eligible.

IS MY ENTITY A BICYCLE CLUB OR AN ADVOCACY ORGANIZATION?
For the purposes of the insurance program, Bicycle Clubs and Advocacy Organizations receive the same coverage, but pay for it differently. Advocacy Organizations conduct a very small number of “club rides” and therefore have less exposure than Bicycle Clubs with respect to this aspect of their activities. The premium structure reflects this by allowing Advocacy Organizations to pay a flat premium to join the program that is not impacted by their membership size. Bicycle Clubs pay a premium to join the program based on their membership size. All other premiums that apply are calculated the same for Bicycle Clubs and Advocacy Organizations.

You can join the insurance program as an Advocacy Organization ONLY if you meet the following criteria:

• You conduct 26 or fewer rides (0 to 26) during the policy period where no participation fee is charged AND the average number of riders in these rides is fewer than 50.

Otherwise, you must enroll as a Bicycle Club.

• Bike Share Programs that provide short-term access to bicycles for the public.

### POLICY PERIOD

For each club, coverage is effective the day of purchase and expires February 1, 2017.

### PARTICIPANT ACCIDENT INSURANCE FOR CERTAIN CLUB ACTIVITIES

**Optional Coverage**

Some clubs organize activities that are open to non-members, but where no fee is charged. Such activities may include a ride organized specifically for non-club members (such as a ride organized for a school or church group) where no fee is involved. These activities do not need to be scheduled as Special Events in order for general liability coverage to apply. But, since the participants are not club members, participant accident coverage will not apply. If your club organizes such an activity and you would like to secure participant accident coverage for all participants, contact American Specialty.

### NON-OWNED/H IRED AUTO INSURANCE (NOHA)

**Optional Coverage**

- Optional liability coverage is available for non-owned and hired autos you may use during the course of your covered activities.
- Coverage is not available for a club’s owned autos (if the club owns an auto, coverage should be placed with a local agent).
- Any clubs interested in this coverage should contact American Specialty. An application will be required, and coverage will be underwritten specifically for the individual club. Certain minimum requirements will apply (drivers must be 25 or older and have a valid drivers license; primary auto insurance must be in place for any non-owned autos).

### EXCESS LIABILITY INSURANCE

**Optional Coverage**

Clubs participating in the liability insurance program should consider increasing the Club’s limit of liability by securing an Excess Liability policy. American Specialty can provide an option for a stand-alone Excess Liability policy that applies only to your Club. Additionally, a shared excess liability limit is available by adding coverage to the League’s Excess Liability policy for a minimum premium of $500. Additional limits will further protect the interests of your Club and its members. Please contact Rene Waterson at rwaterson@amerspec.com if you are interested in securing a quote for this important coverage.

SMART CYCLING INSURANCE

The League of American Bicyclists is pleased to provide you with information on the insurance protection afforded to participants in the League of American Bicyclists Smart Cycling Program. This summary is designed to answer questions regional trainers and instructors may have about the insurance benefits provided by the League.

Q: DO REGIONAL TRAINERS AND INSTRUCTORS HAVE COVERAGE UNDER THE LEAGUE OF AMERICAN BICYCLISTS SMART CYCLING INSURANCE PROGRAM? Yes.

Q: FOR WHAT ACTIVITIES ARE THE REGIONAL TRAINERS AND INSTRUCTORS COVERED? Both regional trainers and instructors are covered any time they are acting in the capacity of a League Cycling Instructor (LCI) or Seminar Coach during Smart Cycling seminars and classes conducted in accordance with League procedures.

Q: WHAT TYPES OF CLAIMS DOES THE POLICY COVER? The most important coverages provided with respect to the exposures of Seminar Coaches and instructors are Bodily Injury and Property Damage coverage. If a student is injured during class or while bicycling after completing the course and brings a suit against an instructor or Seminar Coach as a result, the policy can respond. In addition, the policy can respond if a claim is made against the Seminar Coach or instructor for damage to property. This coverage does not apply to property that is in the care, custody, or control of the instructor, but it could apply to property of a third party over which the Seminar Coach or instructor did not have direct control. In addition to providing coverage for damages the insured may be legally obligated to pay, the policy provides coverage for defending the insureds.

Q: HOW MUCH COVERAGE DOES THE POLICY PROVIDE? The policy limit is $1,000,000 per occurrence with a $5,000,000 general aggregate. Costs to defend claims are paid in addition to the limit. Coverage is provided on behalf of an admitted carrier which is rated “A” with a financial size category of XV by A.M. Best.

Q: DOES THE POLICY COVER AN LCI FOR MEDICAL EXPENSES? No. This policy provides liability coverage to the LCI and does not cover medical expenses incurred by the LCI. The only exception is that accident medical coverage applies for registered participants of League-conducted LCI seminars.

Q: DO I NEED TO DO ANYTHING TO ENSURE THAT I HAVE COVERAGE? No. If you are a League Cycling Instructor (LCI) or Seminar Coach and a member of the League, your coverage is automatically in place as long as you conduct your seminars and classes in accordance with League procedures.

Q: WHAT DO I DO IF I NEED TO PROVIDE A FACILITY WITH PROOF OF INSURANCE? You will need to complete a Certificate Request form. To obtain this form, go to www.amerspec.com/lab and click on the “Insurance Packet” under the Policy Information section. Complete the form labeled “League of American Bicyclists Smart Cycling Program Request for Certificate of Insurance” and return as indicated at the bottom of the form.
